OFFICE OF SECURITY AND SECURITY COMMITTEE

1. Major Developments

a. A Policy Statement on "Uniform Physical Security Standards for Compartmented Information Facilities", originated by the Security Committee and forwarded to the USIB, was approved by the Board and circulated for information and appropriate dissemination on 30 April 1973.

b. In close coordination with the Department of State, Agency security officers visited four terrorist-threatened overseas installations where special surveys were conducted. The entire security posture of each installation was improved to meet the immediate threat.

d. Briefings on the hostile audio surveillance threat were given to 345 persons from other agencies.

e. The production and dissemination throughout the Intelligence Community of the hostile audio surveillance film entitled "Damage Report" was accomplished during the year.

Approved For Release 2006/11/13 : CIA-RDP82M00531R000800120038-7

e. The Committee's efforts to cut down on unauthorized disclosures of classified information were unproductive during Fiscal Year 1973, as disclosures continued on an upward spiral

25X1 [REDACTED]

25X1 [REDACTED] Investigation into these disclosures proved counterproductive due to the extensive dissemination of the source materials.

3. Significant Activities Involving New or Improved Community Coordination Procedures

agreements for the intelligence community. Once a common approach viable to all concerned is developed, efforts will be directed to expand this approach to other specific areas such as research and development activities.

25X1

g. Another Working Group of the Security Committee is exploring the feasibility of originating an Intelligence Board declassification guide which can be used as an authoritative directive for all agencies and departments holding information on U. S. foreign intelligence sources and methods.
